

Ankhe khuli par mein dekh kyu na para
Suraj bahar par ye raat ka nazaara Andhera
andhera andhera hai chaara Andhera
andhera andhera hai khaara Darkness andar
mere darkness fir bhi mein shine karta I
shine the brightest Bure past ka weight
bada heavy hai par uthara use mein jaise
wo ho lightweight I hate when people state
,that with me they where always great But
these is not the case because the world is
fake ,time to tie my lace i am gonna win
these race ,i am gonna do my best
Khayallon se tu bahar aa ,reality mein baat
kar Problems se bhaag kar hota nahi hai
kuch unhe tu face kar Tu unhe trace kar ,fir
kill karke unhe erase kar Gang mein na ja
akela ja tu banja monster banna itna strong
ke sapno mein unhe haunt kar Aisa
sikhaana hai sabak ki aaye na kabhi wo
lautkar Ankhe khuli par mein dekh kyu na
para Suraj bahar par ye raat ka nazaara
Andhera andhera andhera hai chaara
Andhera andhera andhera hai khaara Kisko
batau kya chal raha hai andar Doob raha hu
mein aur bada hai samunder Adhoora mein
andhere mein rehera darkar Akela hu chalra

par chalra sambhalkar Saha mein itna ke
jeera mein markar Ankhe bhi sookhi hai
aasu bahakar Bhagwan ko bola mein thoda
rehem kar Usne mujhe bola tu sapne amal
kar Kaise karunga mein ye jab hori anxiety
Khoya hai atma vishwas aur ocd bhi to sath
mein layi thi Bhai bhi nikle the saap aur
khoon ke rishton mein hore the ghaat Fir
aayi andar se awaj ki I wanna fight back
Pain abb sehna nahi ,sath tha mere tu kehna
nahi The demon is out abb rehna mujhe
achaa nahi Nikle ye saap hai paiso ke liye
is duniya mein koi bhi sachha nahi Yaad hai
mujhe chehere tumhare liye mere se bada
abb koi karma nahi I got demon inside
reside in darkness Hate karo mujhe to
almighty push Now run like a bixtch you
let the demon out Clock is ticking iam
ending my snooze Abb ankhe hai khuli aur
dikhra hai sabkuch Fck you jo pith piche
hai bhoke Log ye jhalke fatte jaise
supernova Iam king of the hell call me
roronova Meine bola tha na tum jaisa mein
na Shuruvat hai ye boht kuch hai hona I
said demon is out to abb bachke rehna Ye
duniya kamzoro ke liye nahi bani You have
to let your inner demon out Peace
